# Kundan

Kundan art reached Rajasthan from Delhi during the Mughal Era. Rulers and feudal lords patronised the art & valued it to perfection.

*Kundan*

# Pendants

Since the ancient times, various forms of crude pendants were used as adornment by men and women as a sign of opulence. As time passed by, they were refined and gemstones with exquisite carvings were used as pendants.

In the light of jewel lies a woman's beauty, her personality revealed in its perfection.

Sharing an eternal bond, jewellery is a woman's first love, everlasting, spectacular, timeless... holds a special place in her heart.

CA Publications presents Regalia by Shank, a tribute to the decades of craftsmanship that has transformed jewellery creation into an art. The classic blend of contemporary and traditional jewellery reflects the various roles played by today's woman, a perfect blend of elegance and style.
